

Host at Repair Café

The Slough Repair Cafe is looking for enthusiastic volunteers to join our team as hosts! As a host, you will play a vital role in ensuring the smooth running of our cafe by welcoming visitors, providing them with information, and assigning them to a fixer.

What are your responsibilities?

- Welcome visitors to the cafe and create a warm and friendly atmosphere.
- Provide information about the cafe's services and how they work.
- Assist visitors in filling out a short form with their details and the item they need repaired.
- Match visitors with the appropriate fixer based on their repair needs.
- Maintain a clean and organized reception area.
- Assist with any other tasks as needed.

Skills and experience:

- Excellent English communication and interpersonal skills.
- The ability to build rapport with people from all walks of life.
- A passion for sustainability and reducing waste.
- Basic IT skills.
- Patience and a willingness to help others.

Benefits:

- The opportunity to make a difference in your community by helping people reduce waste and save money.
- Meet new people and learn new skills.
- Gain valuable experience in customer service and volunteering.
- Be part of a team that is passionate about sustainability.
- Free lunch, coffee and tea
